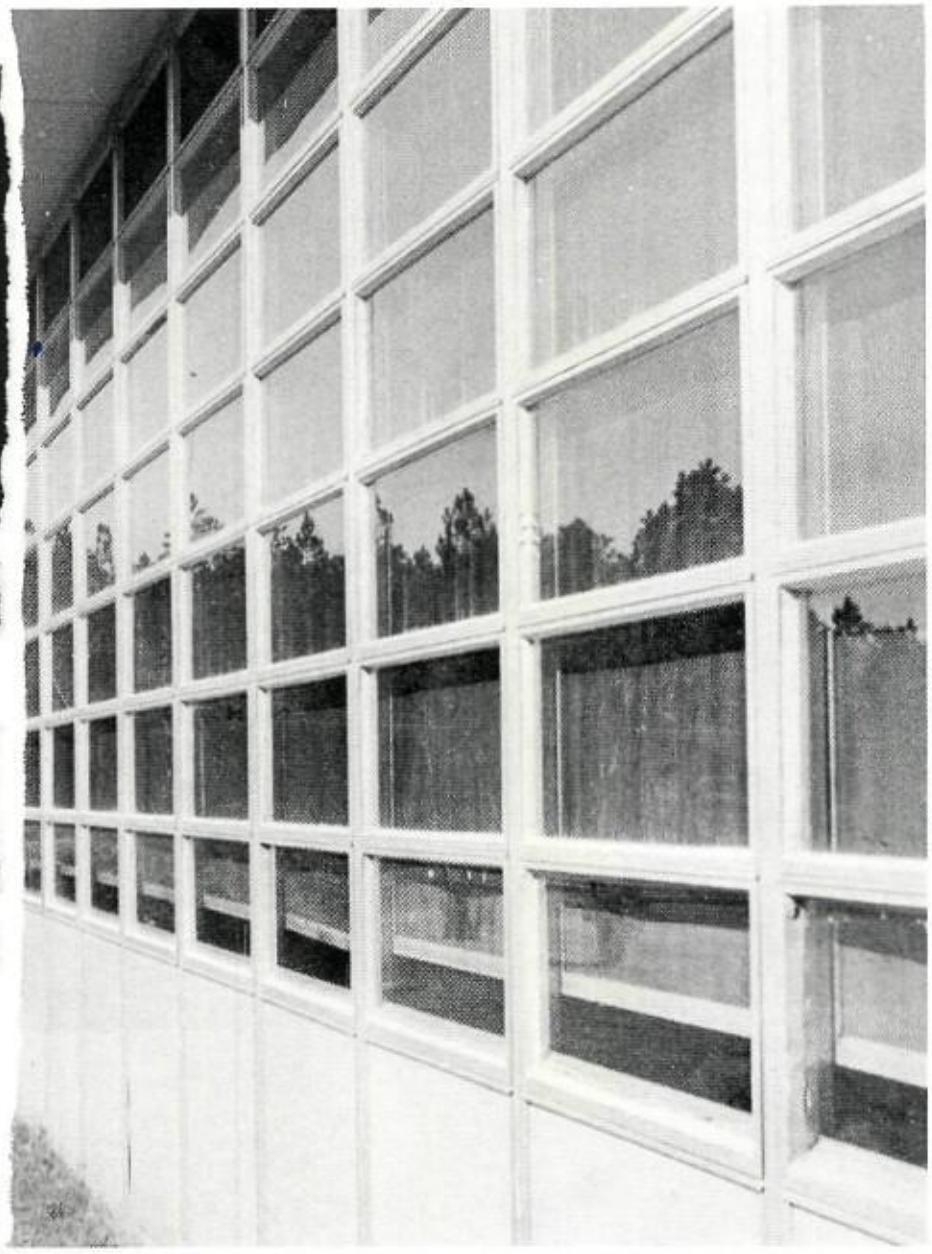
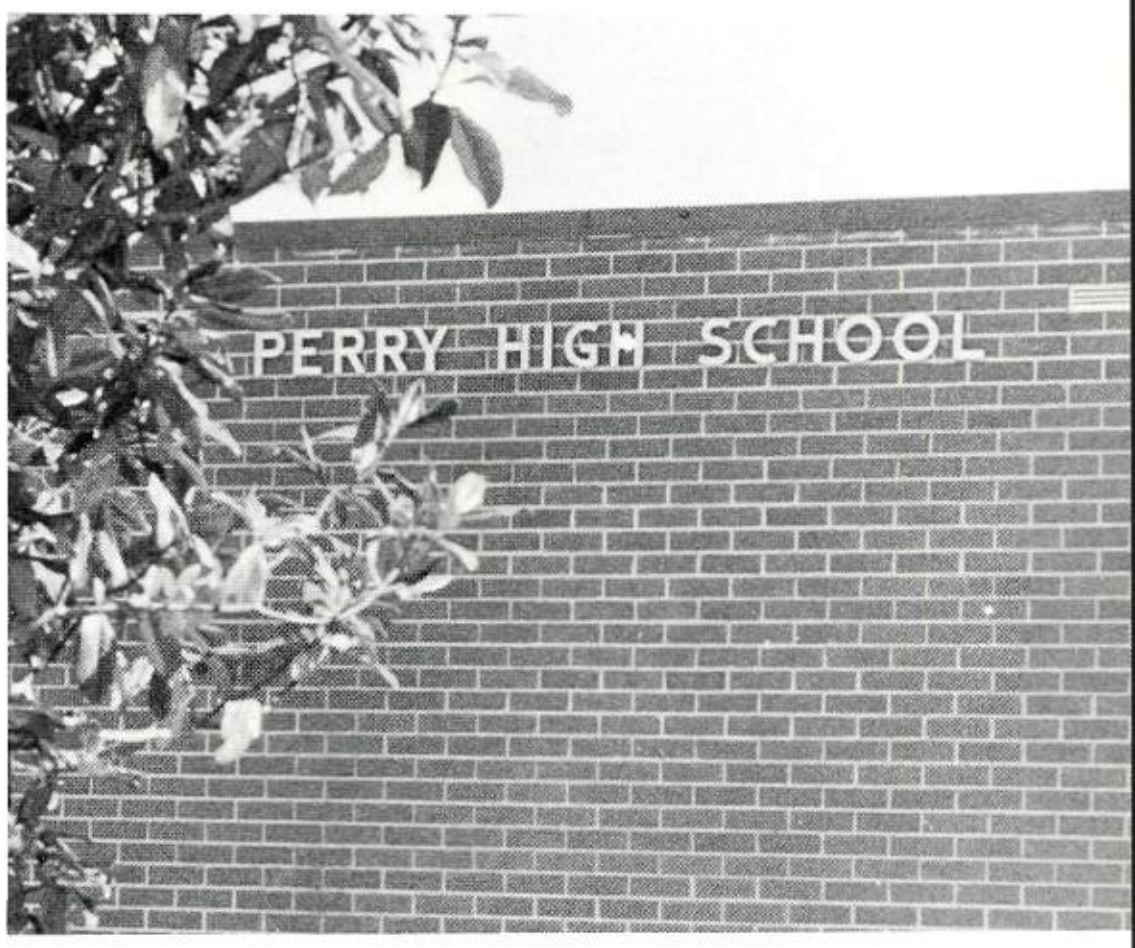
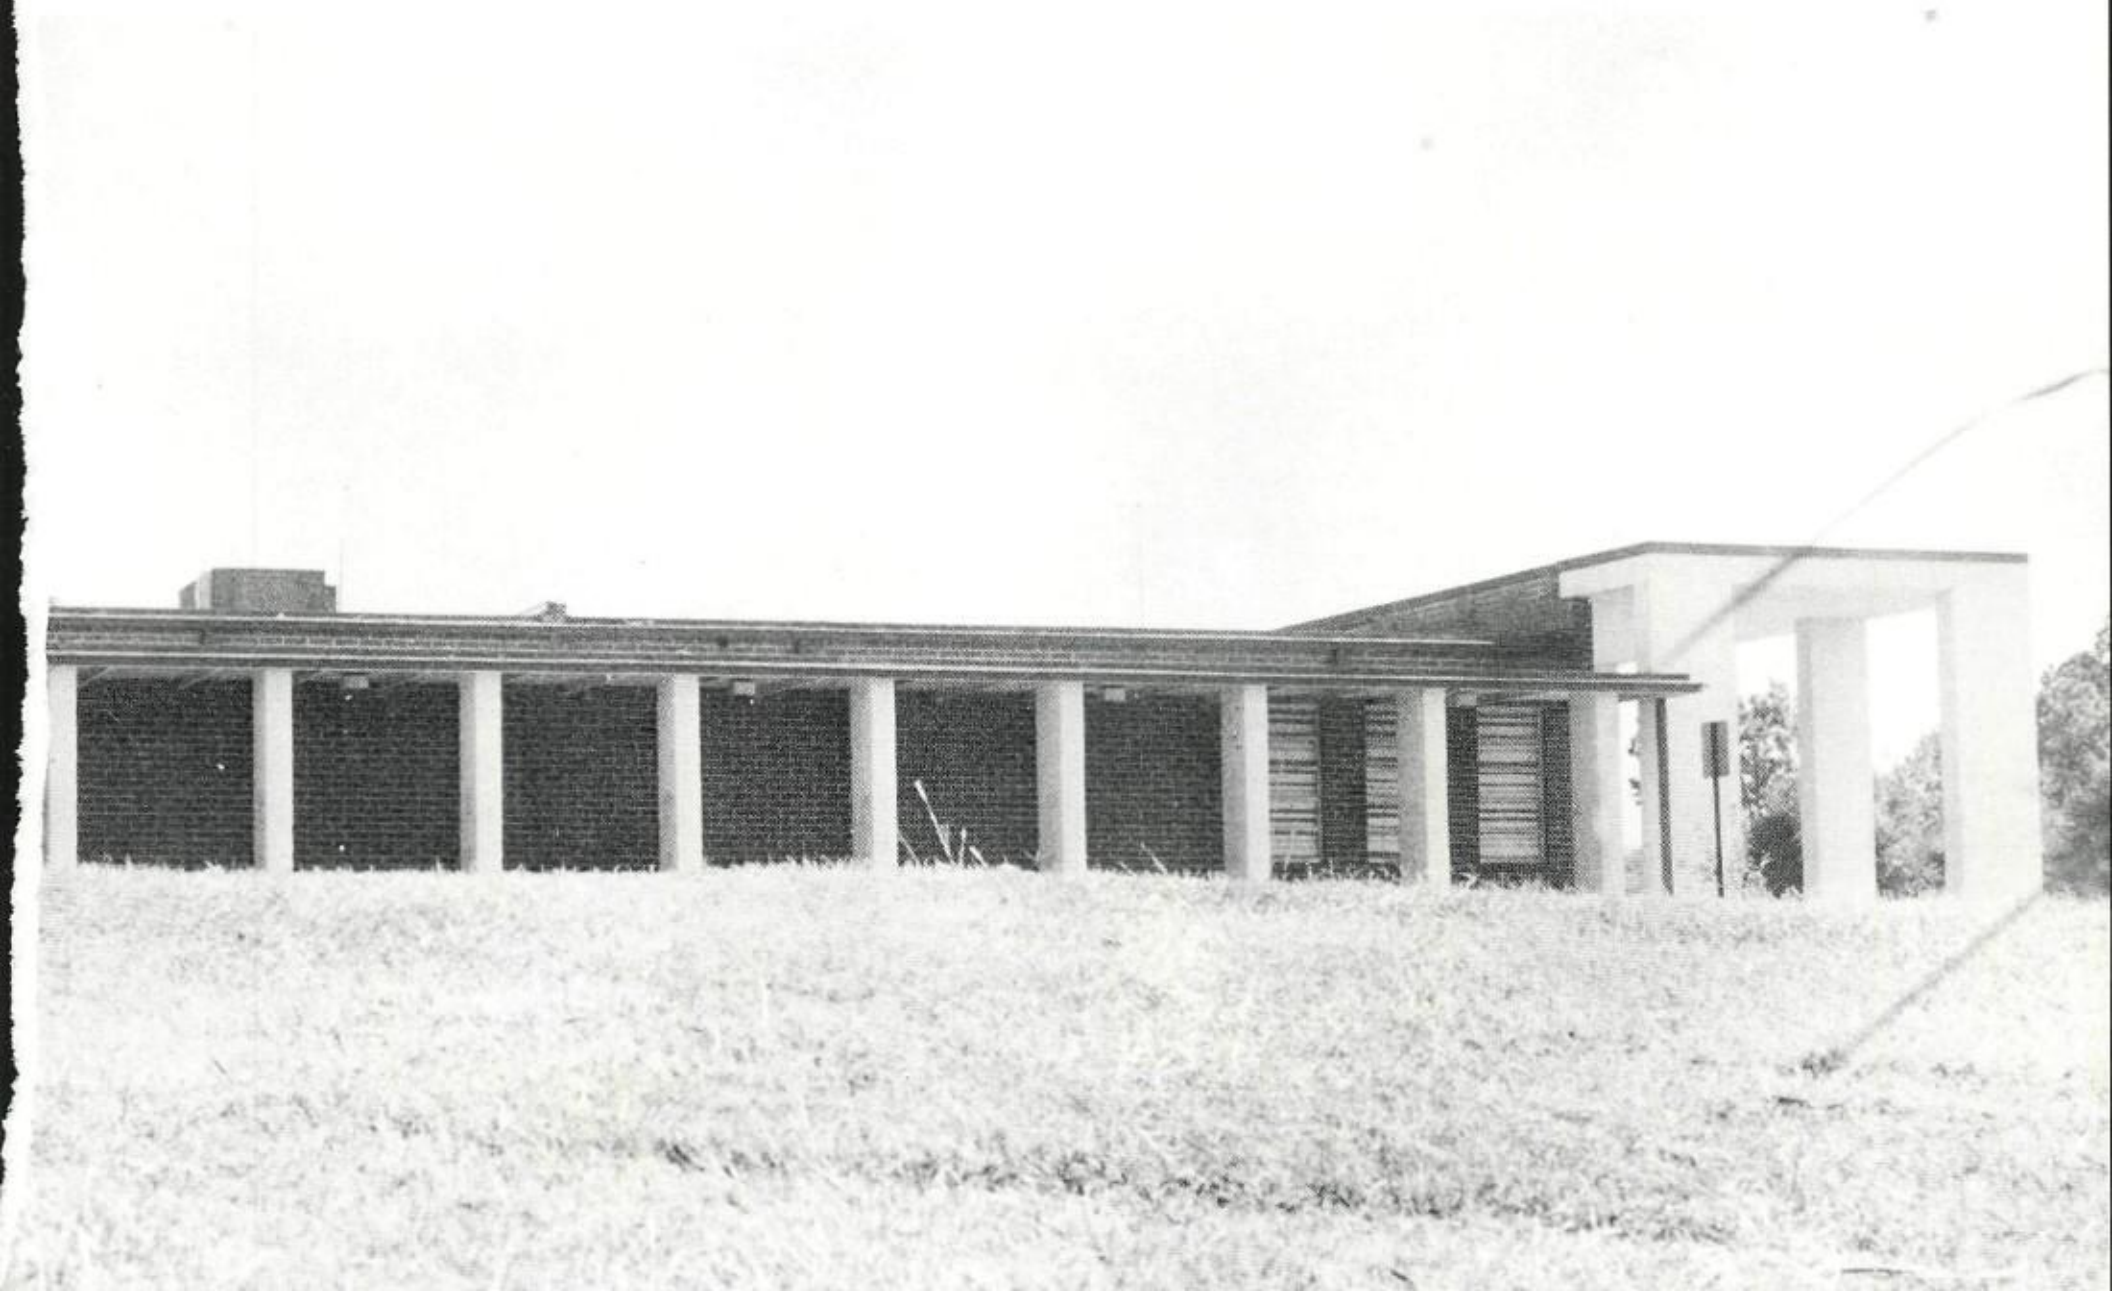
This One's for You . . .

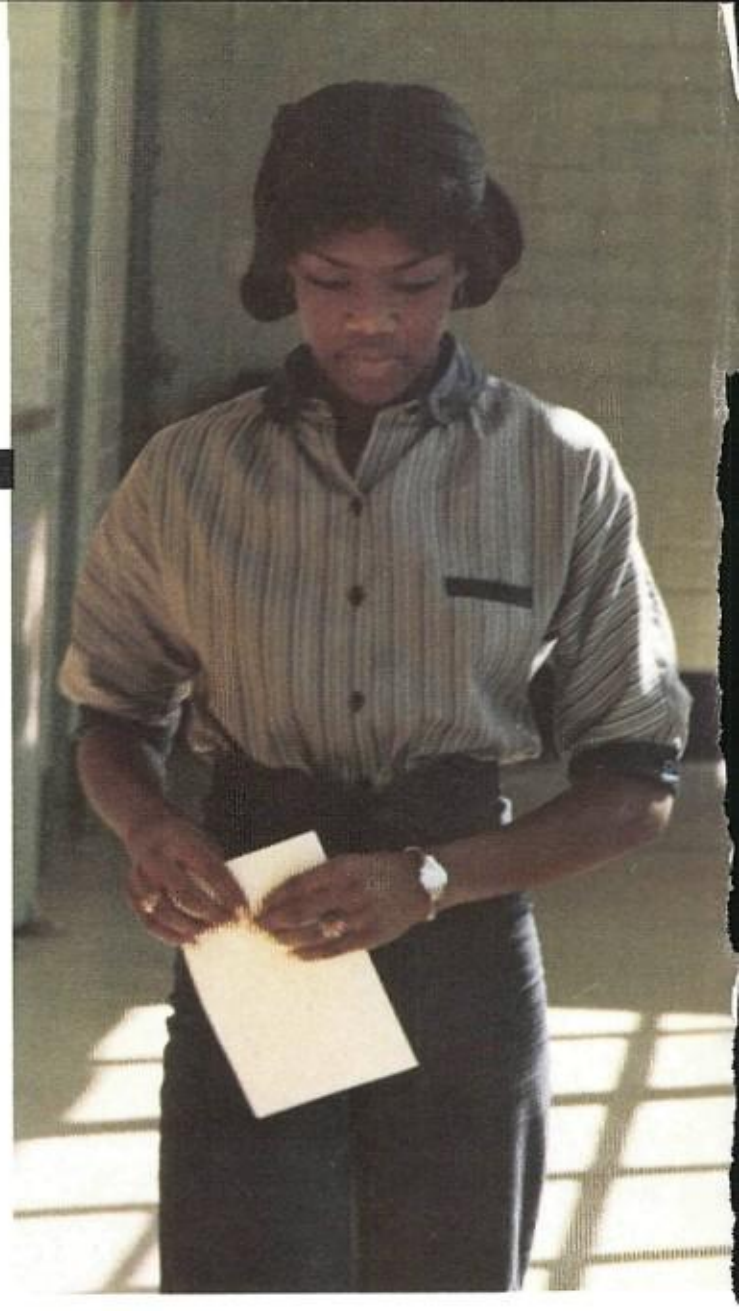


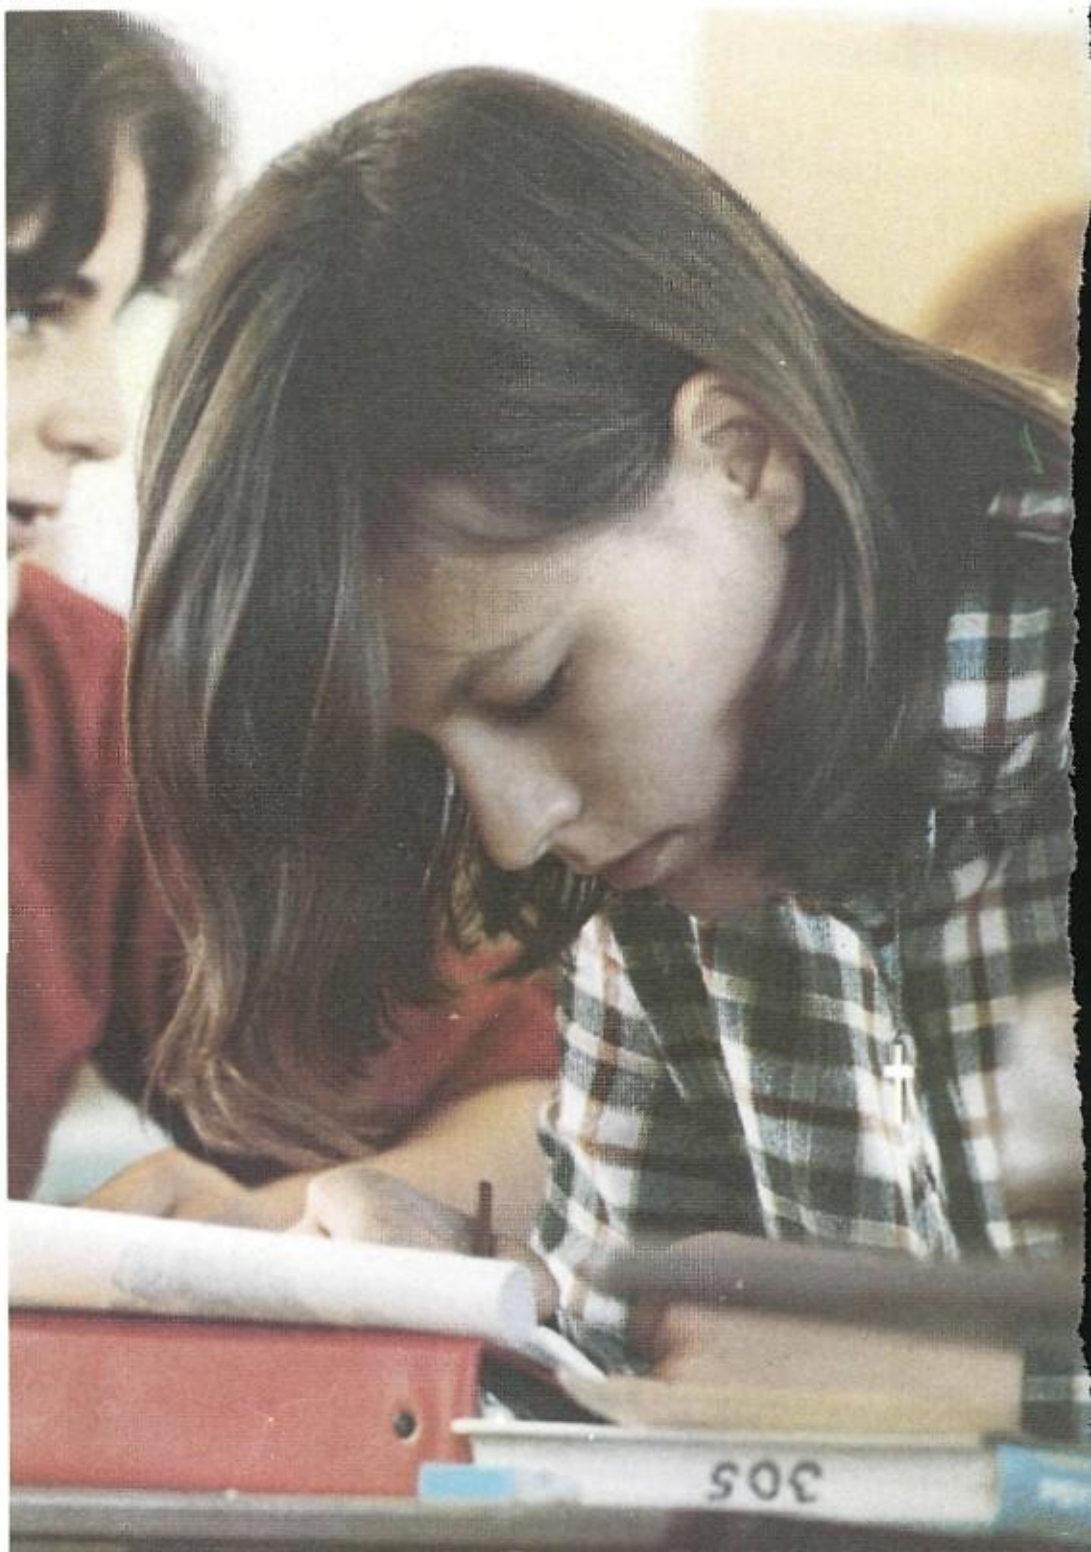
Perry High School
Perry, Georgia
Volume 35
1980

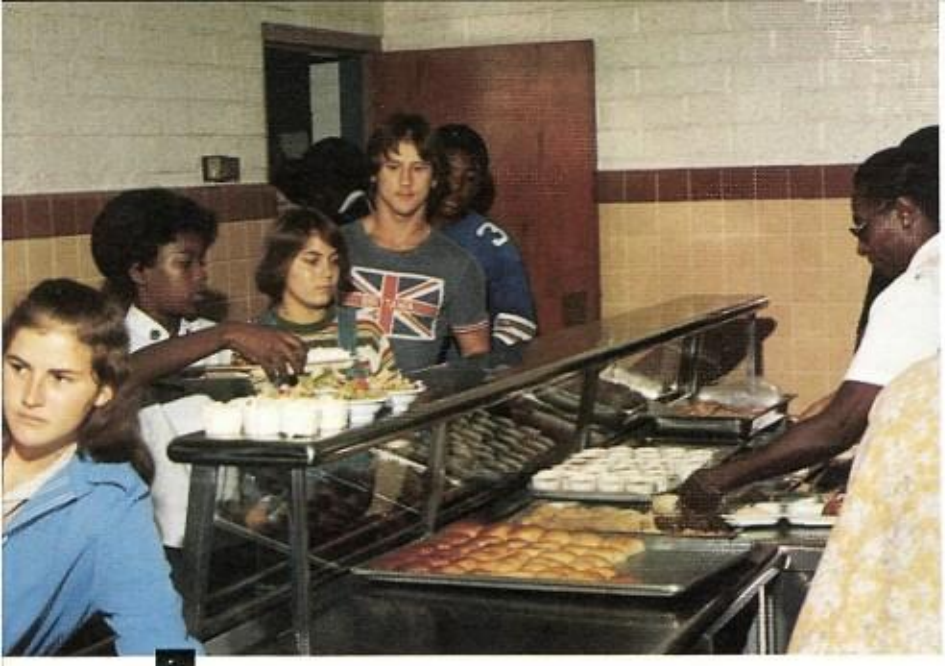




You came from everywhere
But you came here



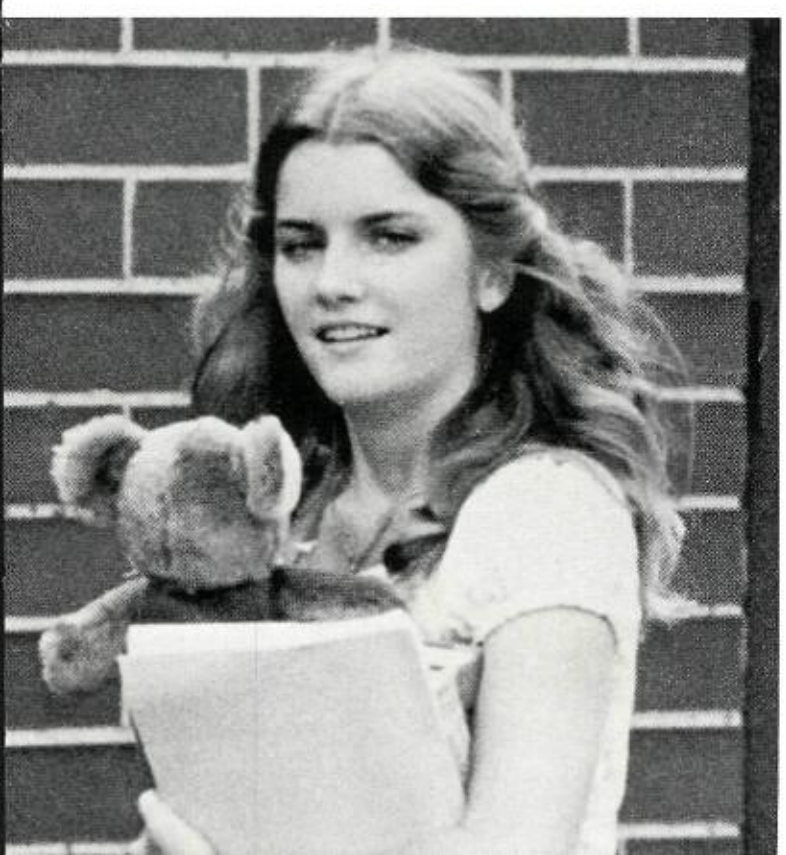




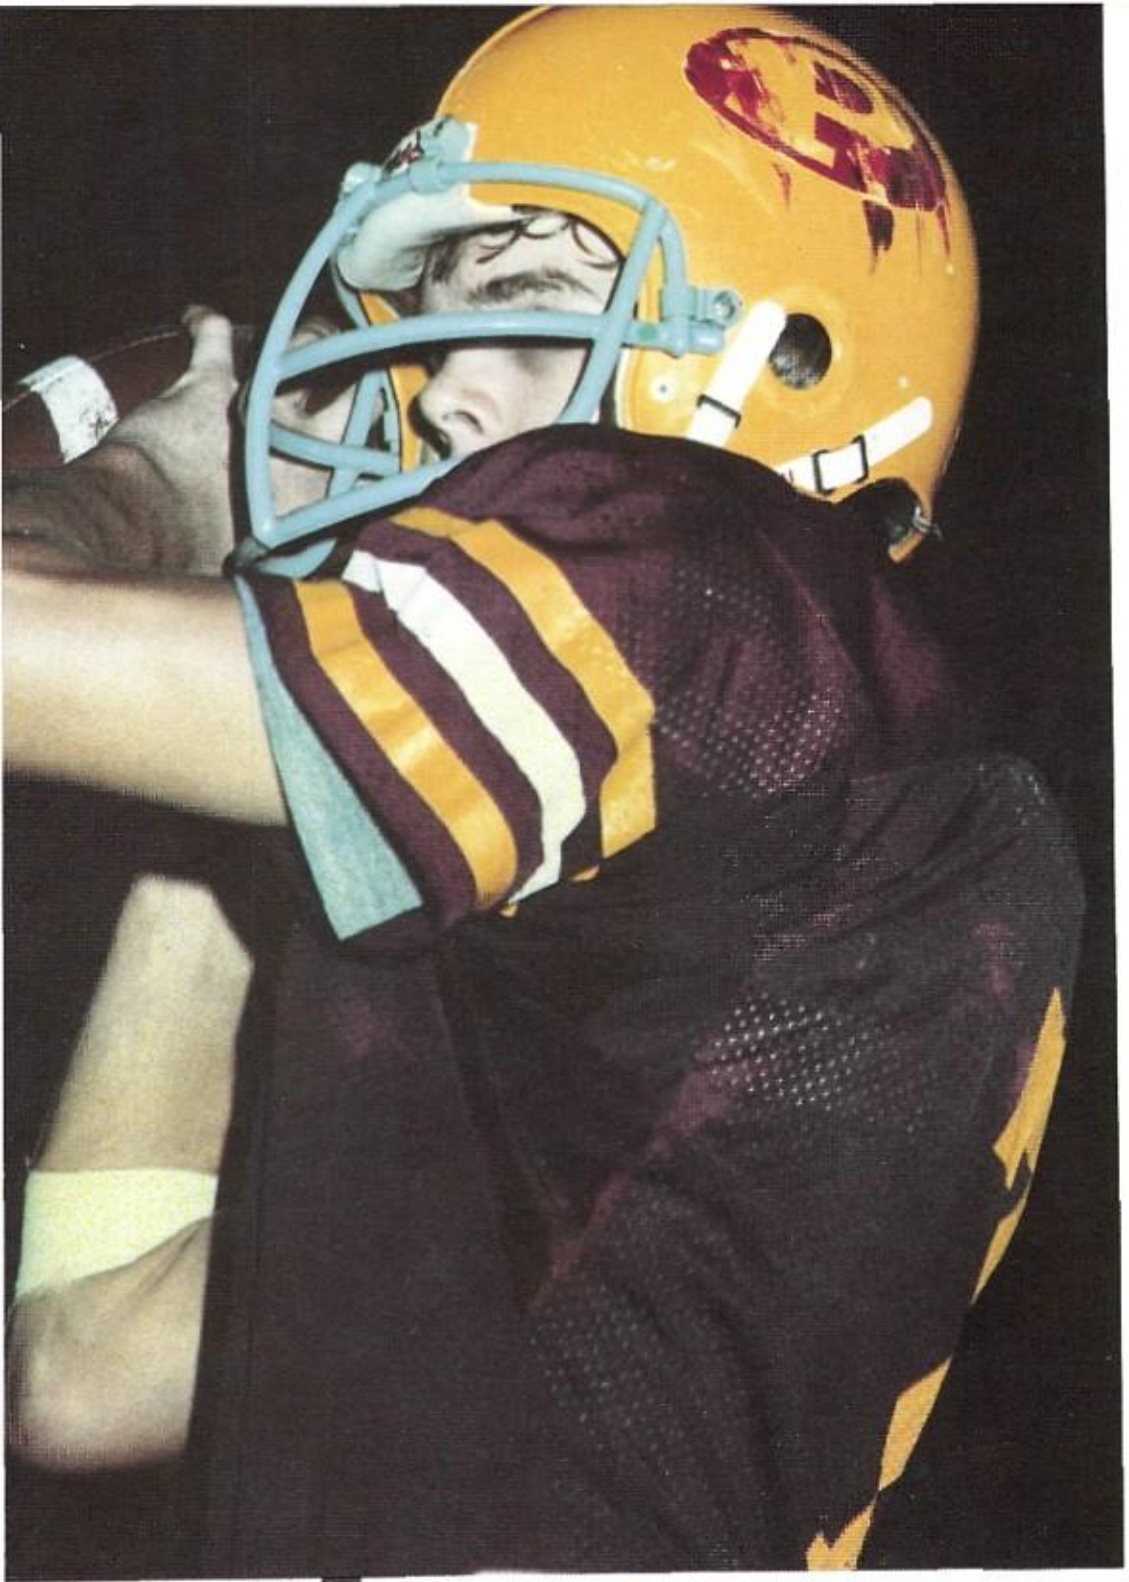
You were Seniors and
Juniors and Sophomores

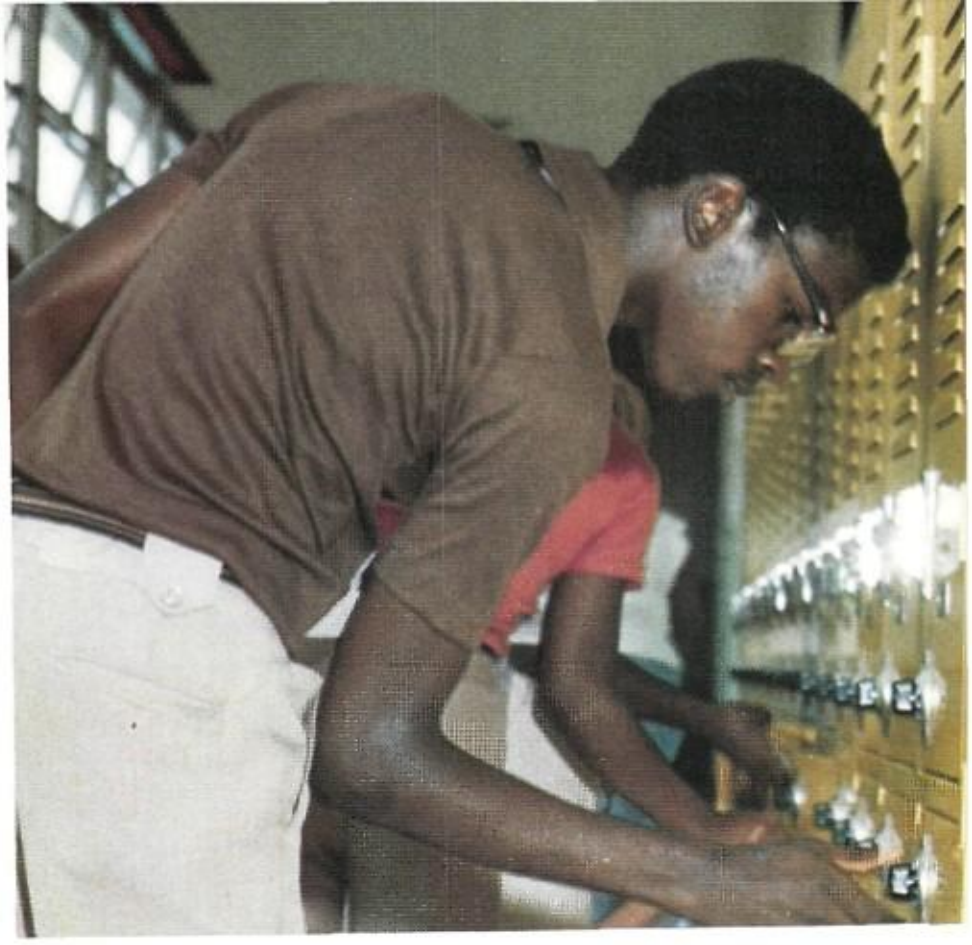
You were teachers and
counselors and friends

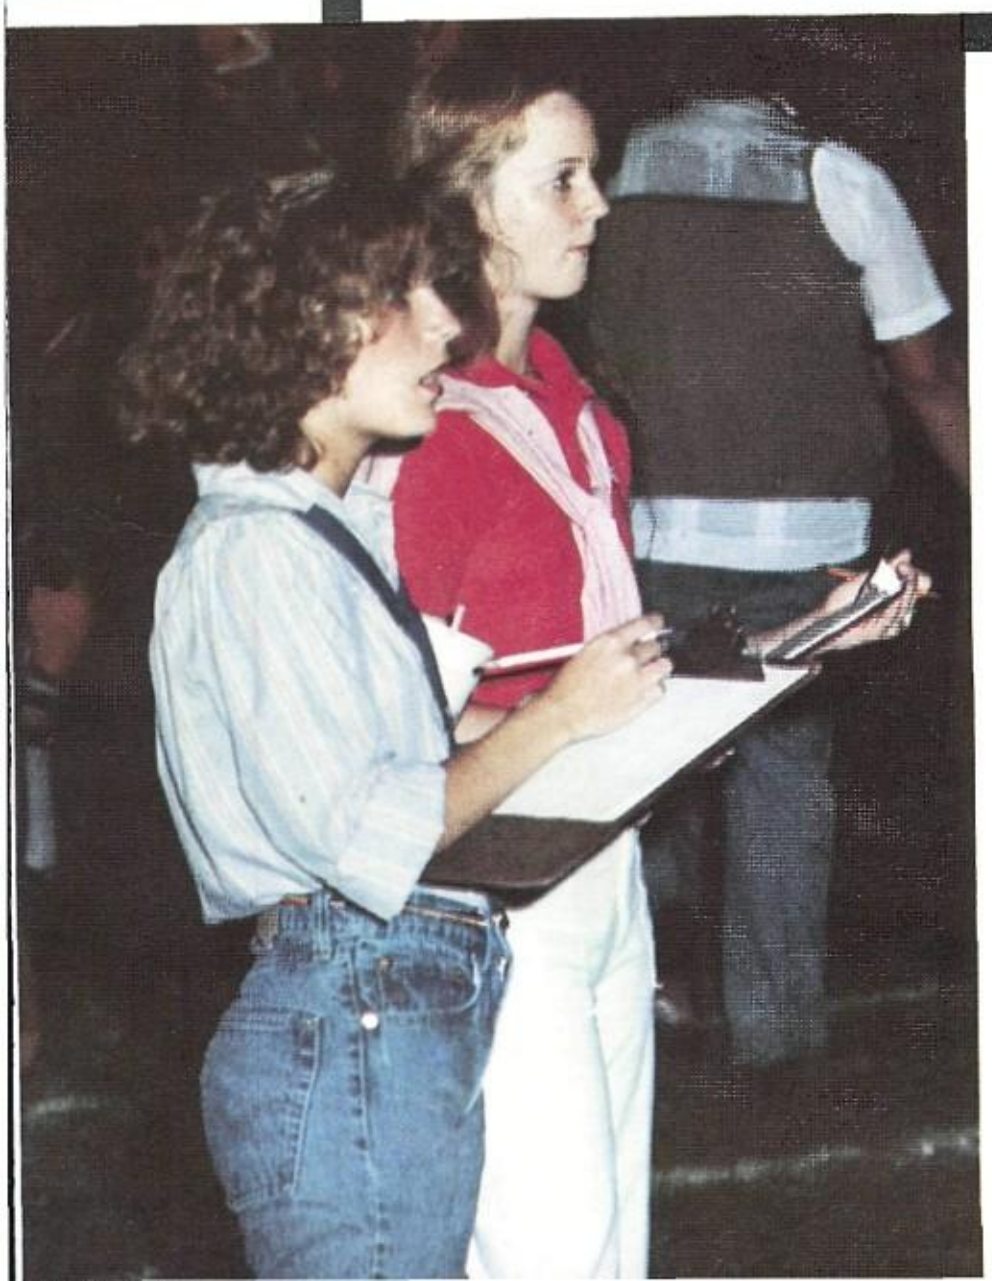
You came to learn, to play,



To achieve, and to study





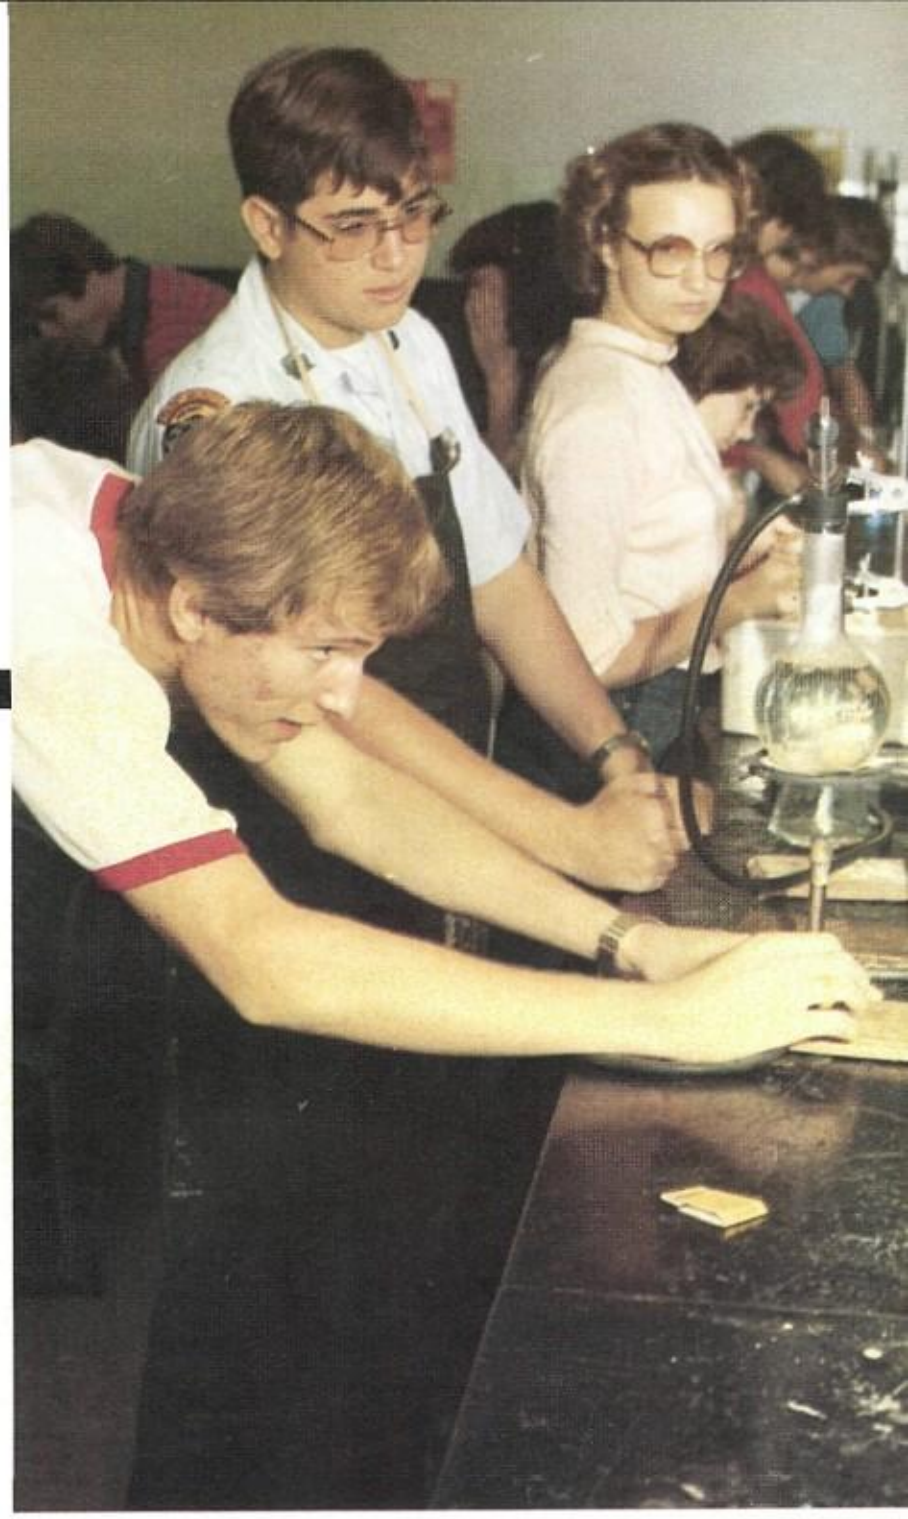


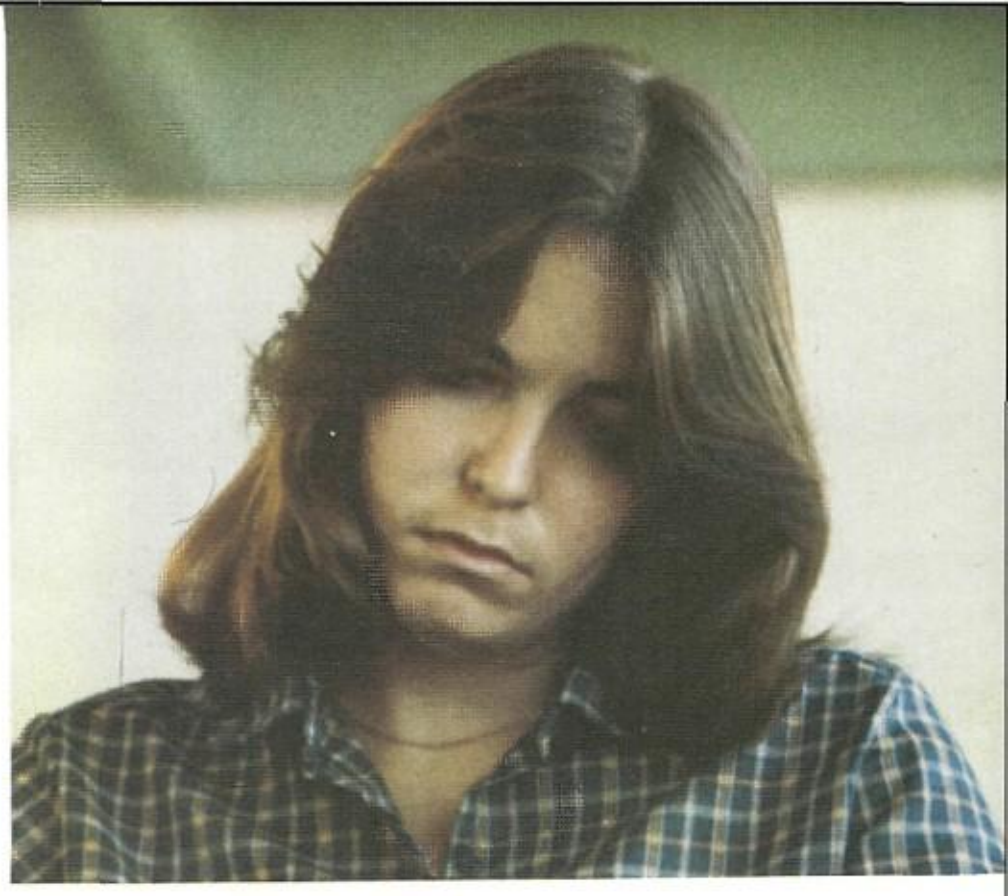
Like you've never done before

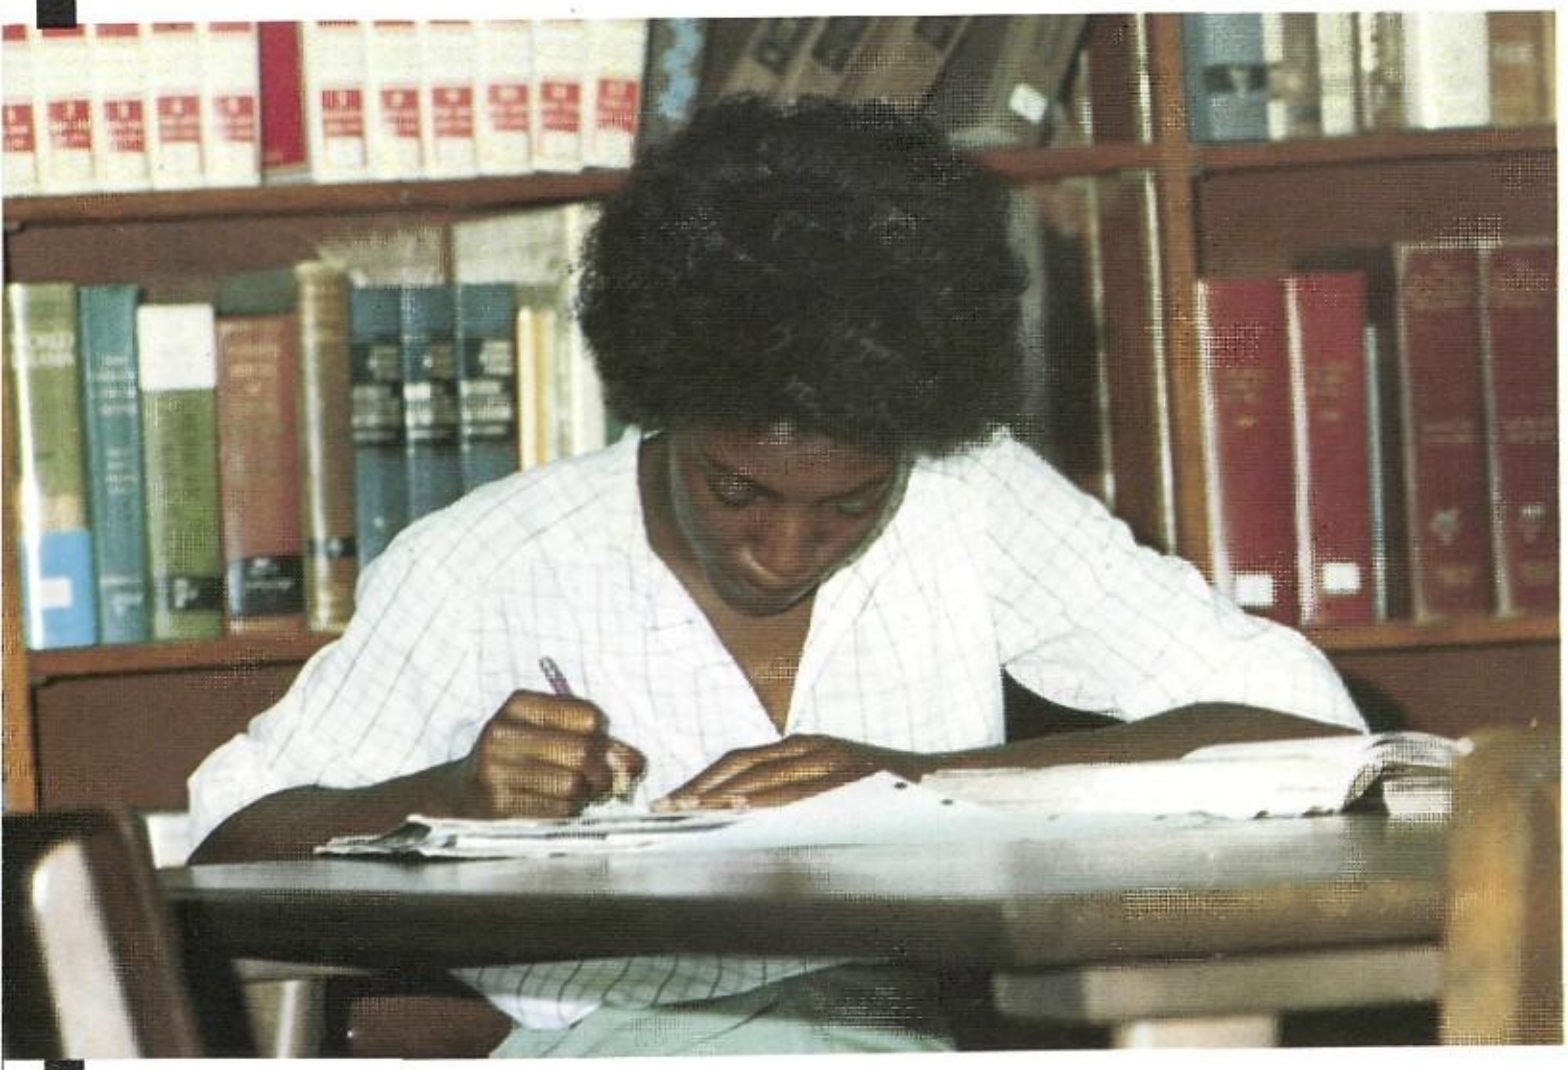
You came to understand,
to give, to take, and to use yourself.

To reach for goals

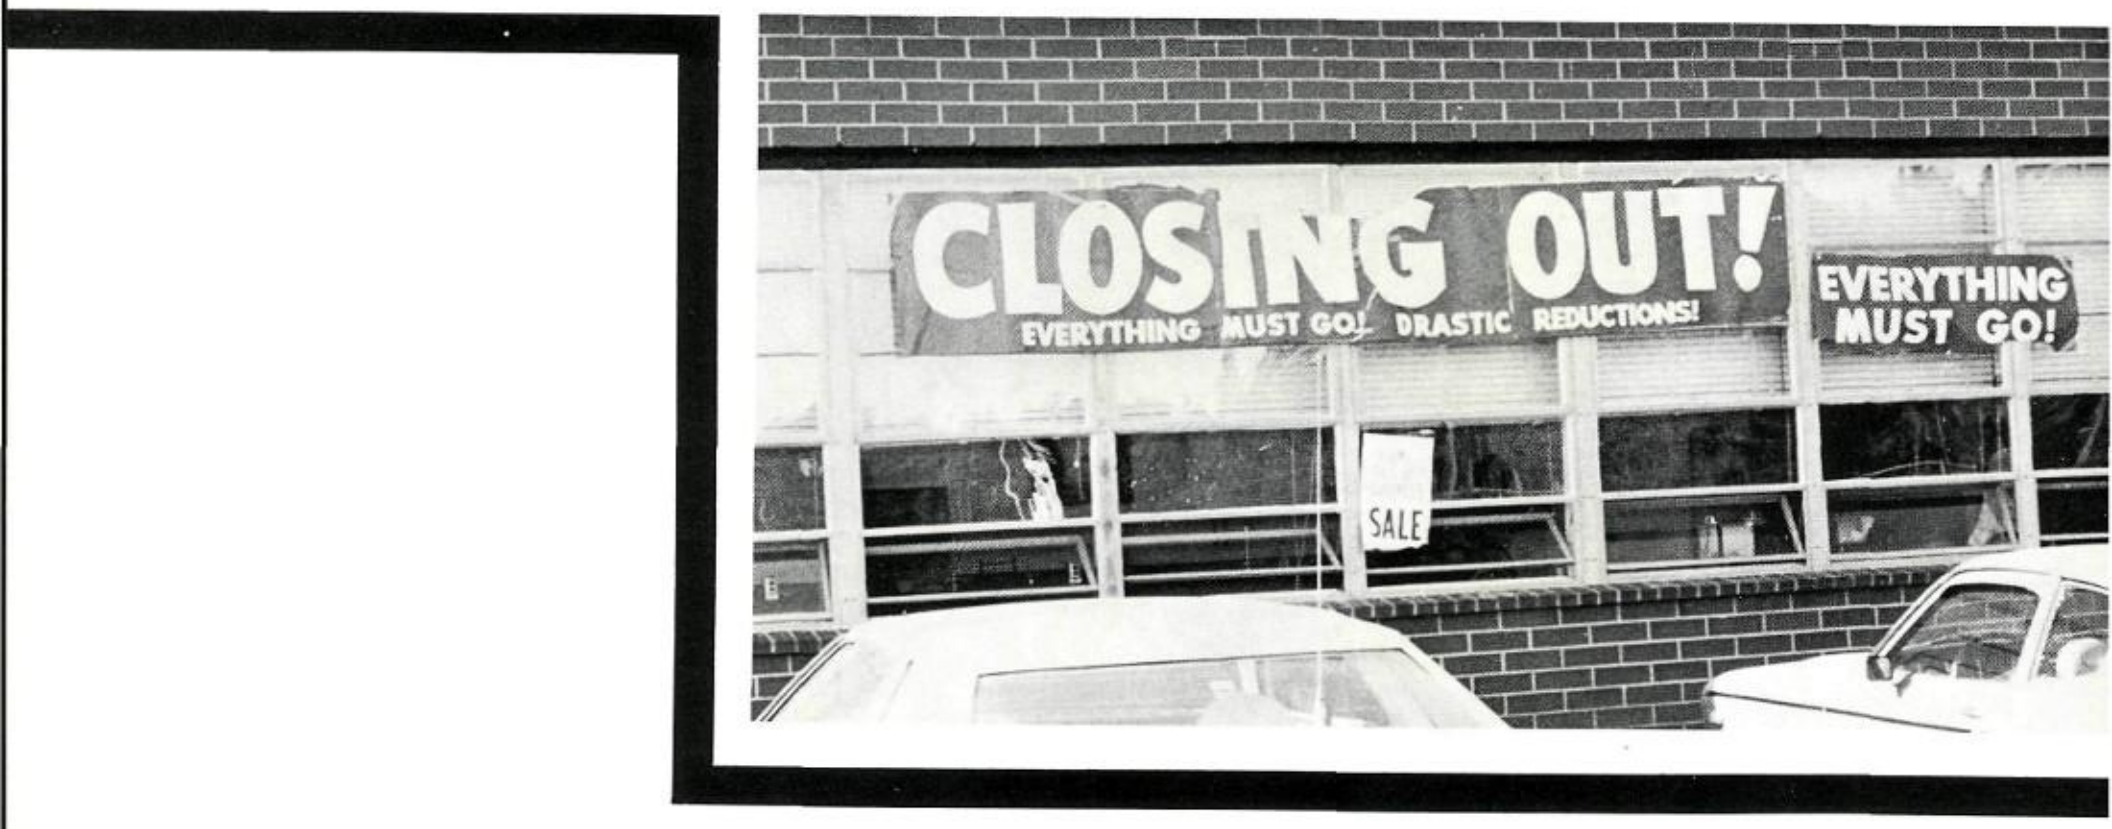
You never knew were there





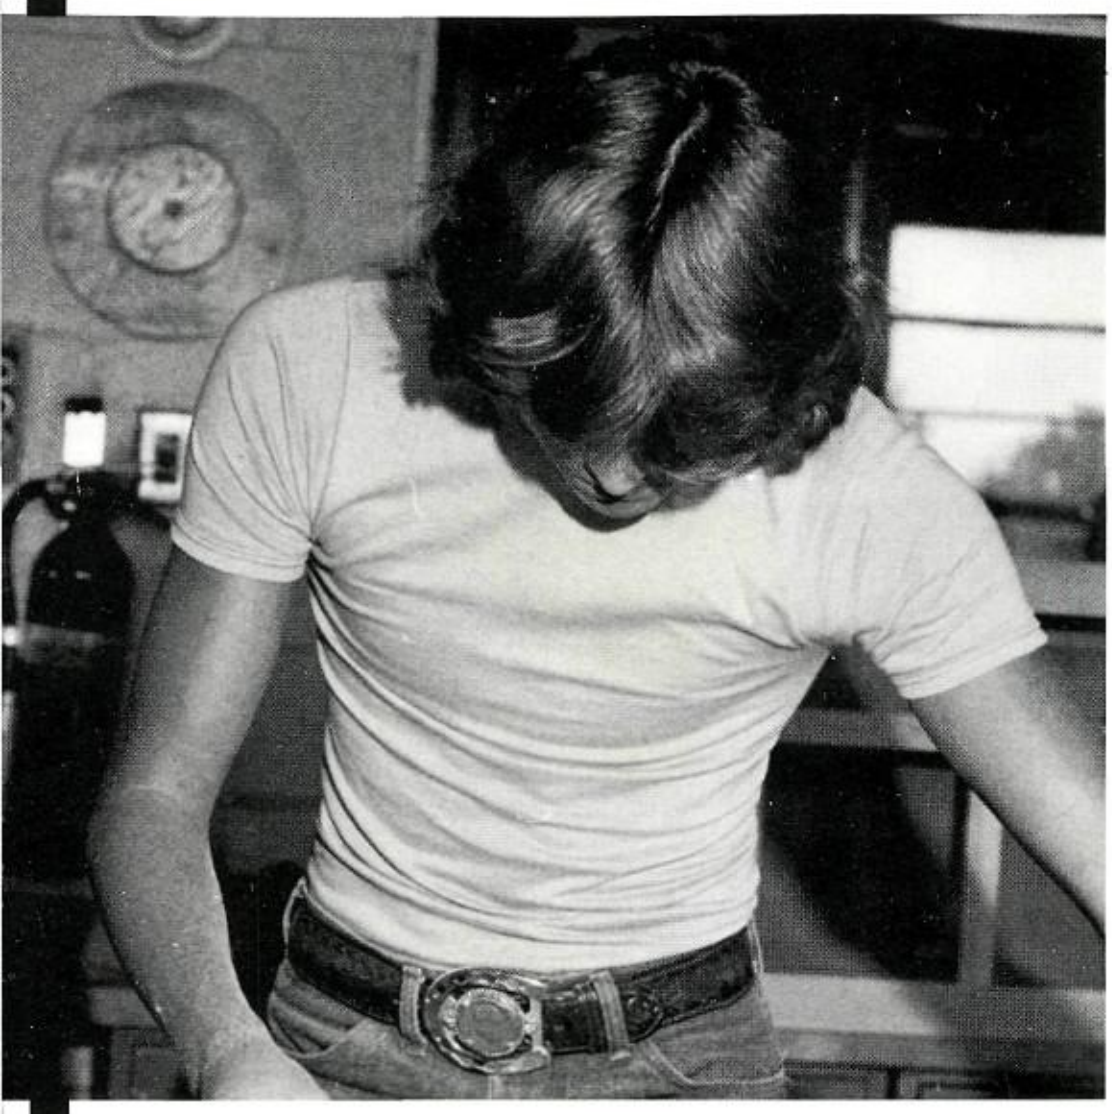


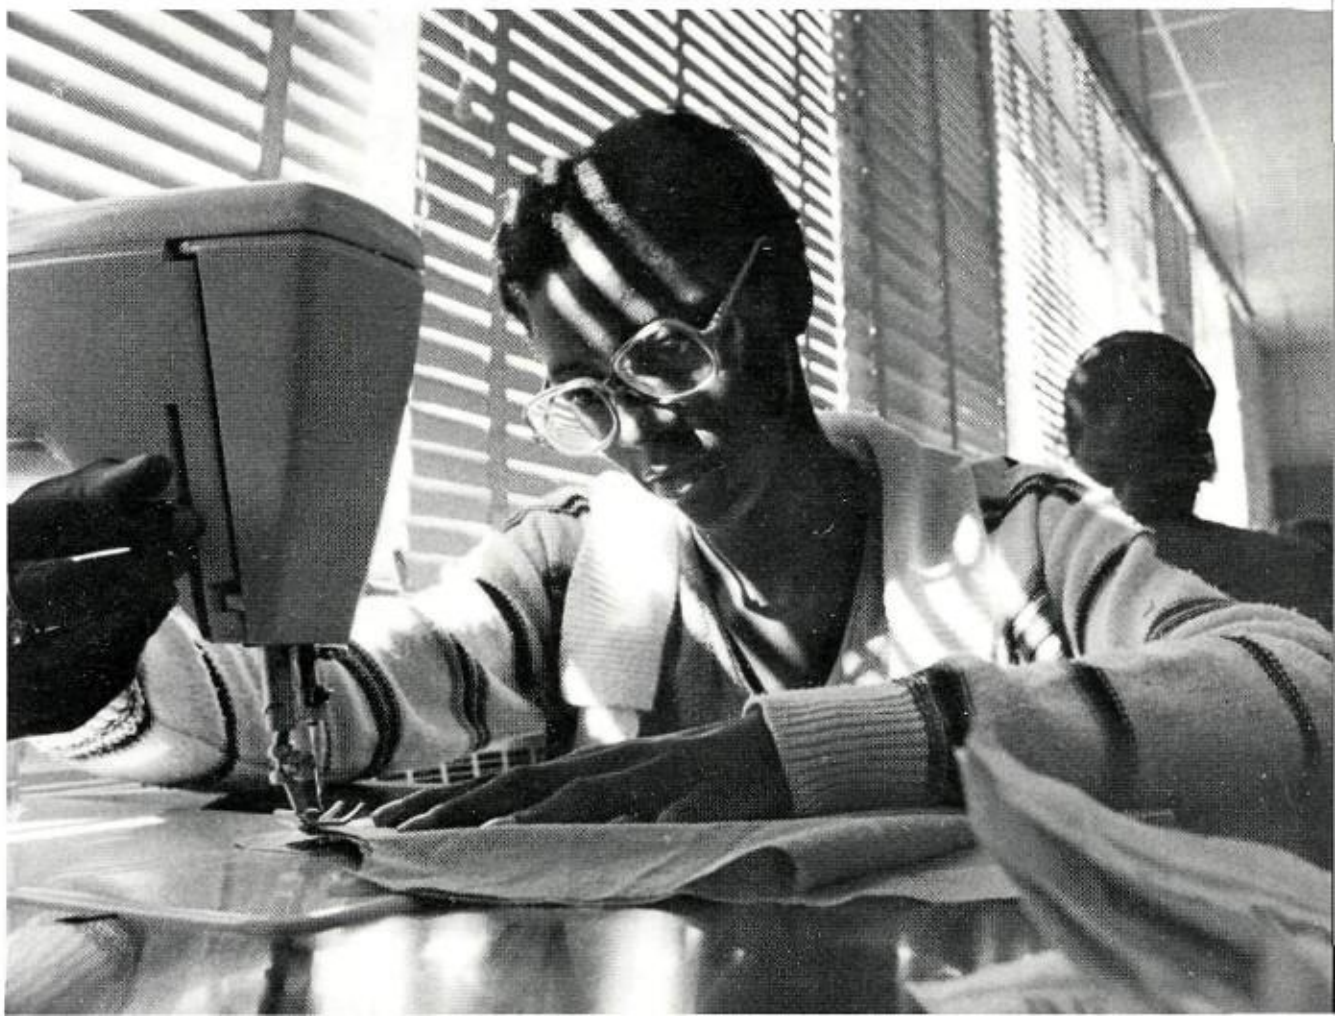
You made your plans
You loved your friends

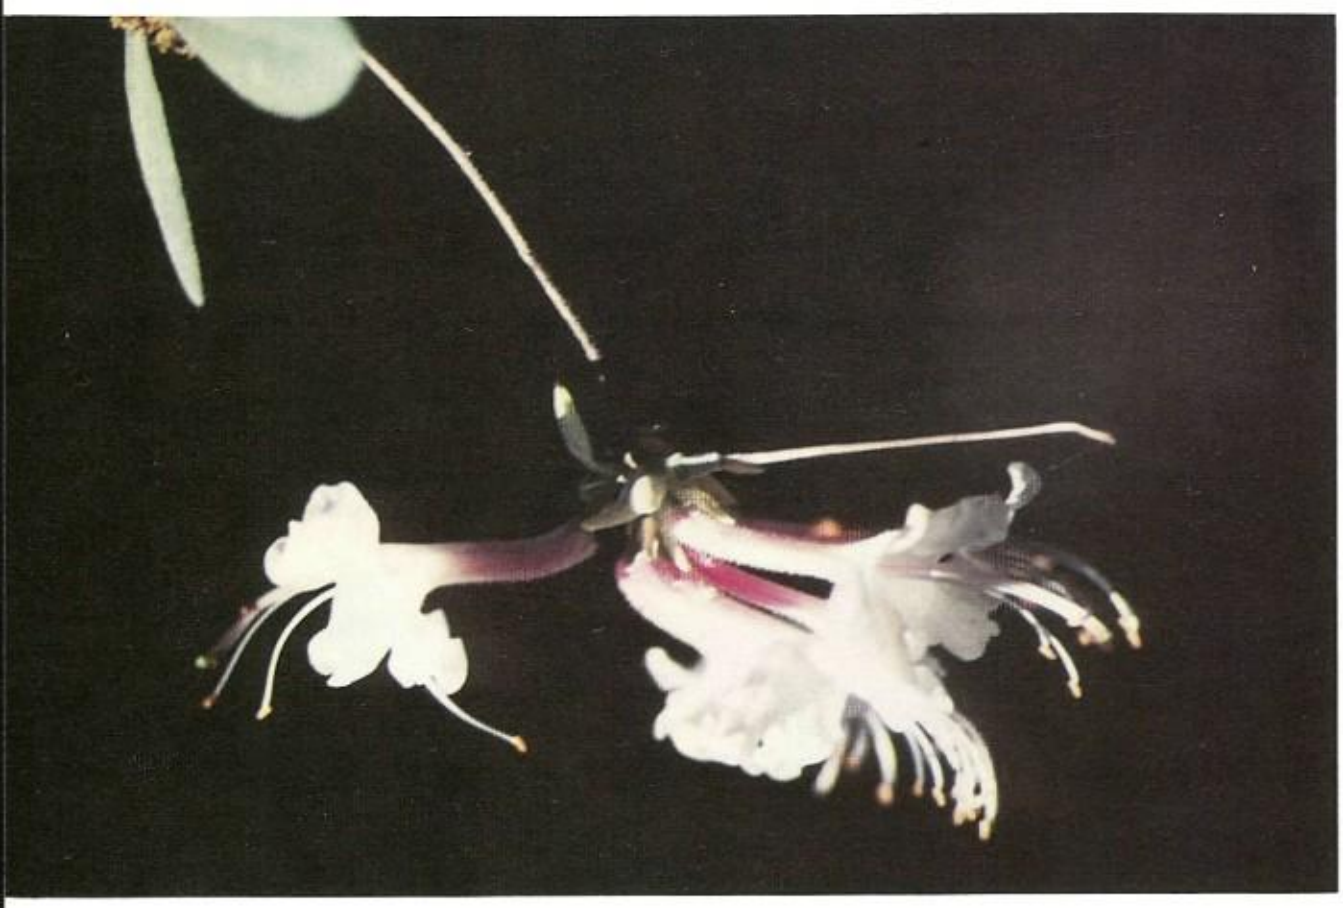


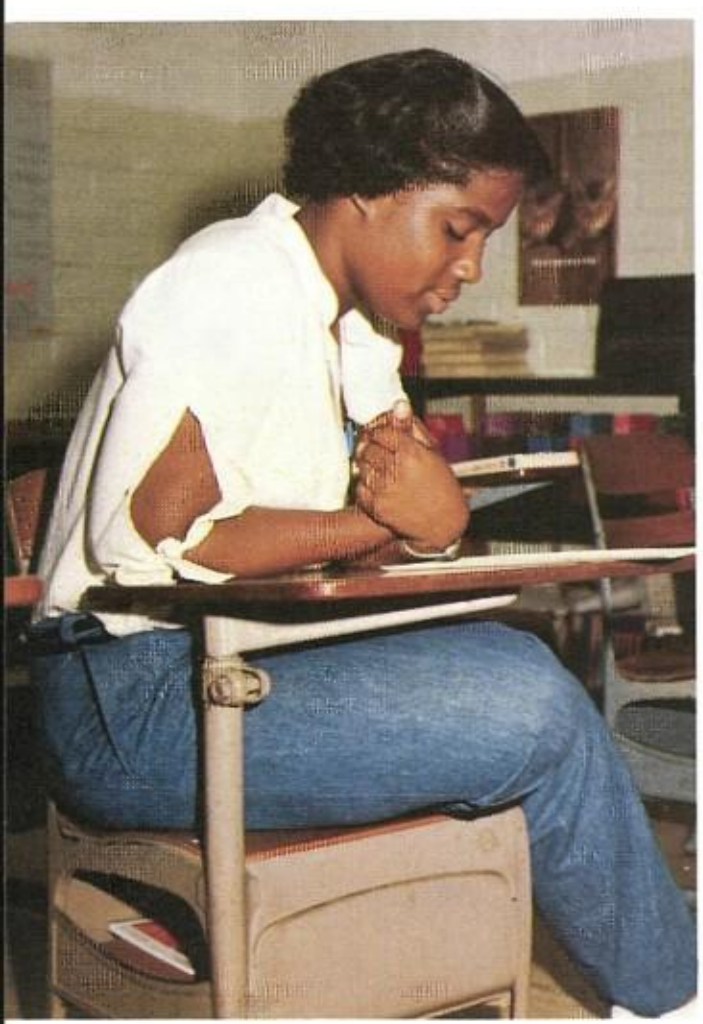
You cried your tears

You walked cold halls

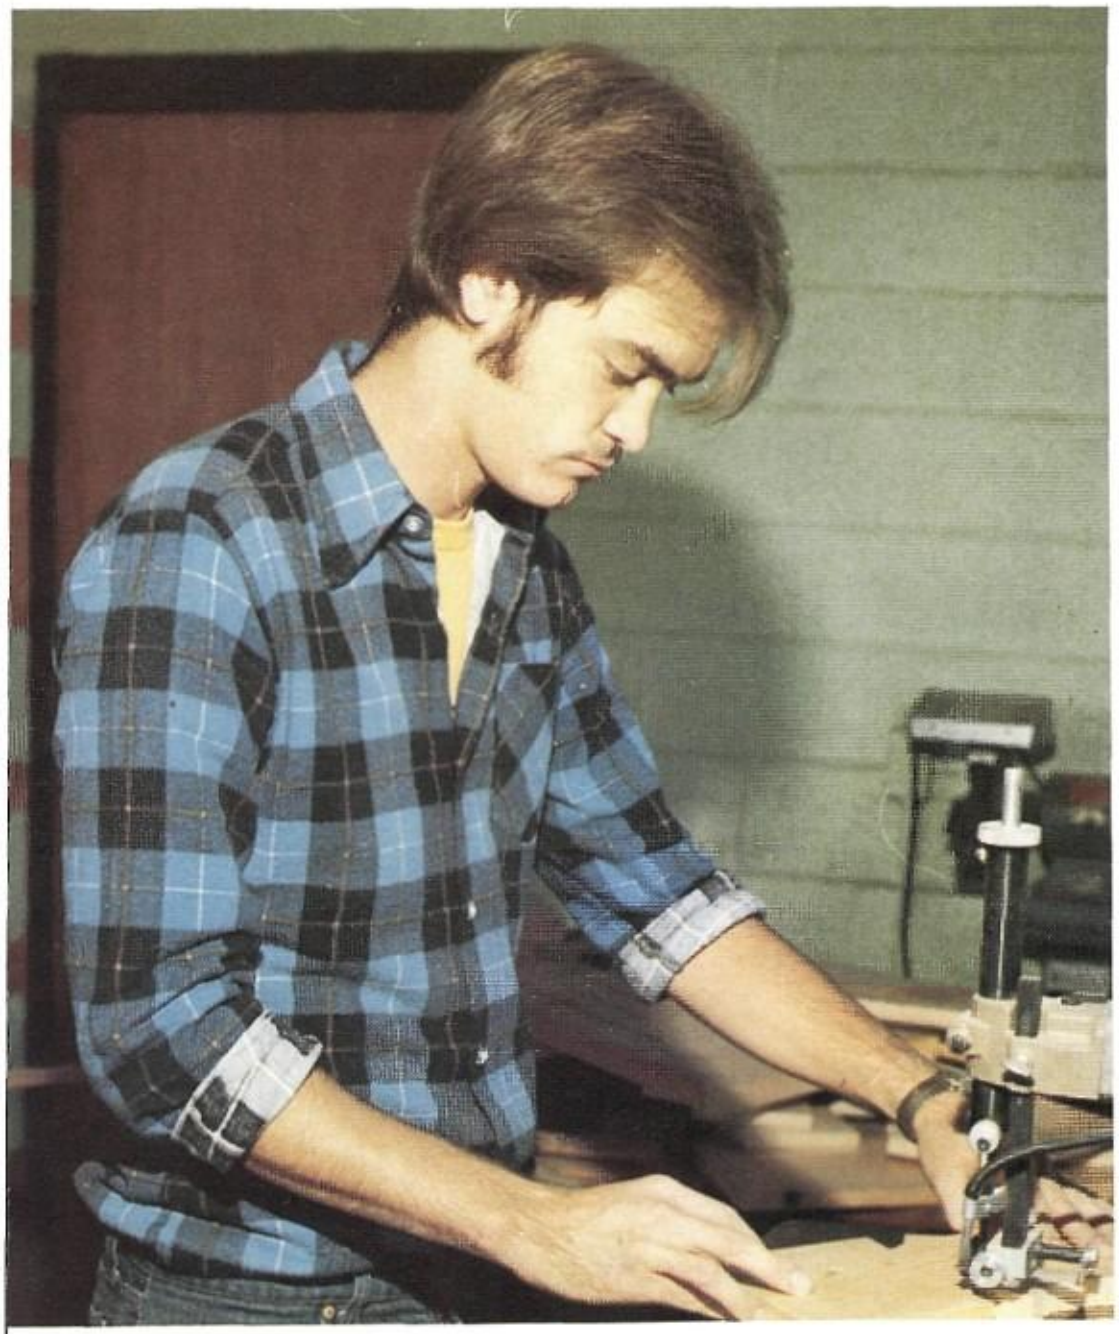




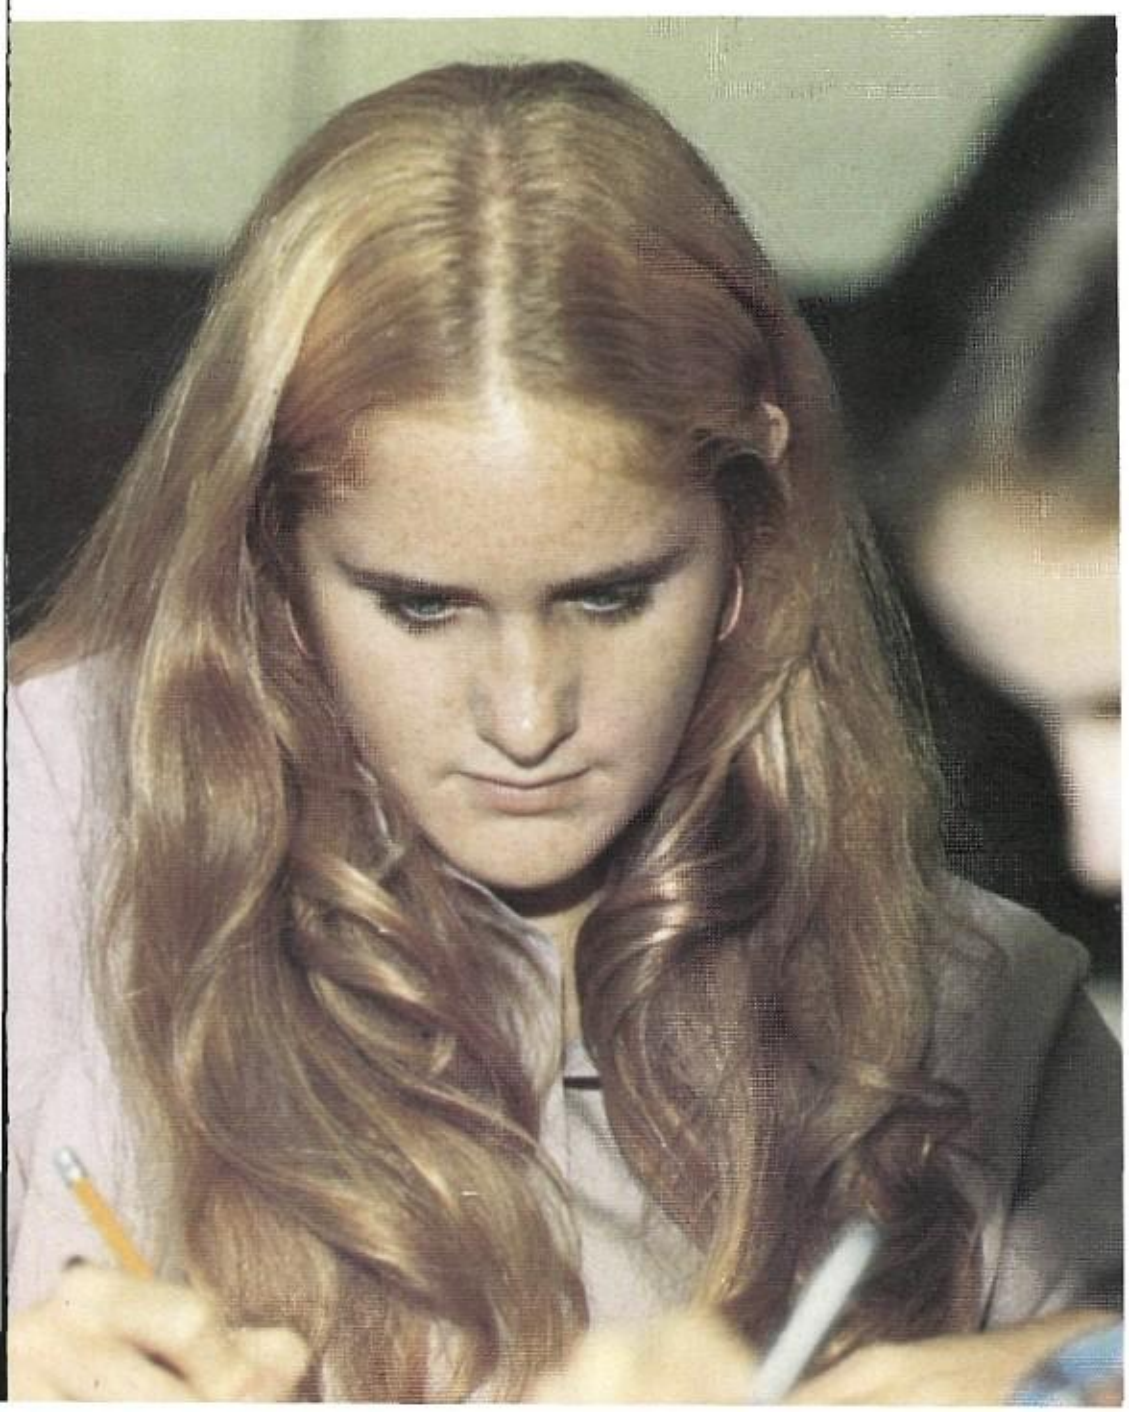


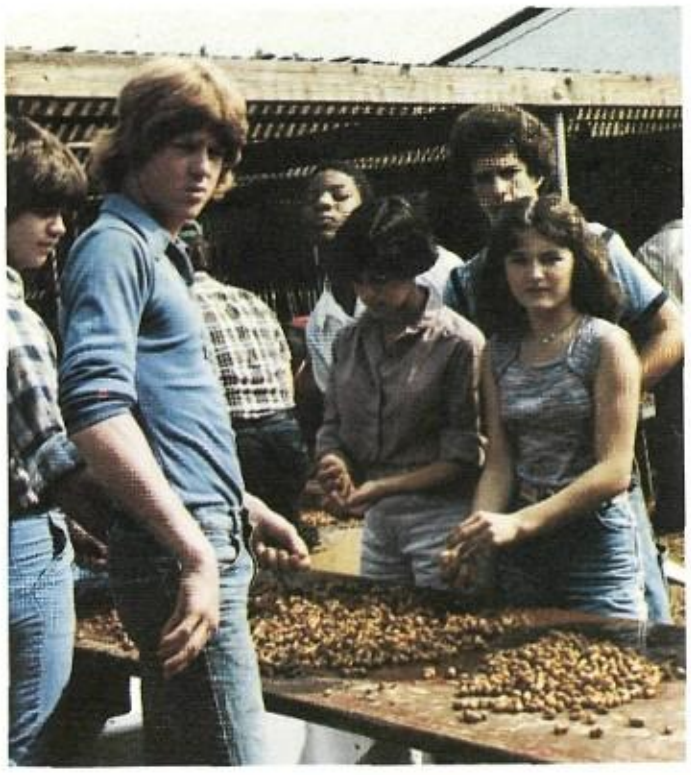


You dreamed of summer



You'll never quite know another
For this is it





This One's For You

The life and spirit of any high school is a difficult thing to present. Much graditude must be directed to our staff and our advisor, Mr. Jim Gilreath, for his assistance and advice. Also, a special thanks to the Houston Home Journal for their supply of Sports pictures.
